In Wix there will be a commemoration event at St Mary's, Church Wix to mark the 75th anniversary of VJ Day. There will be a two-minute silence at 11am followed by a Cry for Peace around the World at 11.10am. The church bell will then be rung 75 times. This will be happening nationwide at the same time. It will be a particularly poignant moment for the village of Wix, as we will be remembering Harry Bareham and George Mason. Harry Bareham was killed in the battle for Singapore in February 1942 and George Mason died whilst working on the Burma-Siam railway as a Prisoner of War in December 1942. ## All Saints Churchyard Wrabness

### Howard Ling writes:

One of the effects of the pandemic has been to the churchyard. During previous years we have let the oxeye daisies flower and then asked a group of young offenders to cut the churchyard. This year due to coronavirus they have been unable to help us and so the churchyard has gone uncut. This has meant that the knapweed flowered. There are over 30 different kinds of wildflowers in the churchyard knapweed now being the most obvious; it has a violet flower and is an incredible source of nectar and so a tremendous food supply. The churchyard now is alive with birds and insects all dependent upon this amazing resource. Over 10 species of butterfly and moth have been identified together with grasshoppers and many pollinating insects. All insect's species are in decline and our food supply depends upon pollinating insects.

Whereas we are maintaining the churchyard with the needs of people tending graves being most important we also have the conservation of our wildlife in mind. We aim to have well cut areas and cut paths so that any grave can be made accessible, a mix of tended and untended areas of order and disorder where wildlife can thrive. We employ a gardener to tend the paths and areas of short grass.

Feel free to visit our churchyard. We have many books on plants, insects, and birds to borrow if home-schooling. If you are interested call in to the church on Friday morning or contact Laura Garnham, Pauline Abbott, Sue White, or Howard Ling.

## Sale of Pews: All Saints Great Oakley:

On Saturday 5 September, the PCC will be holding a sale of redundant church pews to raise funds for the repair and improvement works needed at All Saints Church. The pews were installed in the nave in 1909. Most remain in the church, but some rows have been removed to create new spaces at either end of the nave which can be used for concerts, meetings, and other events.

If you would like to own a piece of Great Oakley history, come along to the sale on 5 September. This will take place in the courtyard of The Old Rectory on The Avenue (turn left just past the Church). The pews will be priced at £200 each and you will be able to choose your pew on a first come, first served basis.

## Essex Ride & Stride - Saturday 12<sup>th</sup> September

Although the official Friends of Essex Churches annual Ride & Stride fundraising event has been cancelled this year due to Covid-19 they are still encouraging churches to cycle more locally and raise funds. In Great Oakley, a team is still planning to cycle as we are raising funds for essential repairs and improvements to All Saints Church. The first phase of works, due to start this month, will install a new drain around the tower and repair damage caused by penetrating damp. We then plan a second phase of works in the new year to lay new floors at the west and east end of the nave and to install a compact kitchen at the back of the church.

Ride & Stride is a sponsored cycle ride or walk. Half of the money collected goes to Friends of Essex Churches and the other half to the church that you ride or stride for. If you would like to donate to All Saints Church Great Oakley the JustGiving page is here:

<https://www.justgiving.com/fundraising/lucy-robinson42>

If you would like to join a group cycling on the day, text Lucy Robinson on 07468 716207. (There will be a maximum of 6 in a group to comply with coronavirus guidance).
